

**REACH Network AMR Data Review Meeting**  
6–7 December 2025  
**Agenda, Day 1: Saturday 6 December**

| Time        | Session title  | Lead / Facilitator  | Objectives / Key discussion points  |
|-------------|--|---|---|
| 08.30–09.00 | Welcome and Opening Remarks  | REACH Leadership / AMR Panel Chair and co-Chair:<br><b>Professor Stephen Obaro</b><br><b>Dr Dagmar Alber</b>  | Set the tone and objectives for the meeting; reaffirm REACH's commitment to data-driven antimicrobial stewardship.  |
| 09.00–09.45 | Stakeholder Perspectives on Child Survival and AMR Stewardship: Locating common ground to advance collaboration and sustainability | <b>Ashley Graham, PhD</b><br>( <i>The Task Force for Global Health</i> )  | Present key findings from stakeholder interviews followed by open discussion.   |
| 09.45–10.30 | Panel Member Introductions and Terms of Reference Confirmation   | REACH Secretariat<br>Panel Chair  | Introduce panelists, their areas of expertise, and motivation for participation.<br><br>Confirm objectives, roles, and conflict-of-interest procedures.   |
| 10.30–10.45 | Coffee break   |   |   |
| 10.45–11.15 | Background and Context   | REACH Network Secretariat /<br><b>Professor Tom Lietman</b><br>( <i>UCSF</i> )  | At a glance: prior work on AMR, rationale for the Independent Advisory Panel, and the REACH Network's strategic priorities.   |
| 11.15–13.15 | Country Presentations – AMR Data Overview<br>Panel Q&A and Reflections   | <b>Country Teams</b><br>Burkina Faso – MIRAMA<br>Côte d'Ivoire<br>Mali – LAKANA / SANTE / REACH<br>Niger – AVENIR 2<br>Nigeria – SARMAAN 2<br>Sierra Leone – ICARIA<br>Other relevant studies – Malawi, published meta-analyses | Country teams present AMR studies objectives, methods, results and contextual analyses.<br><br>Each presentation to be followed by Panel Q&A and Reflections to clarify data presented, assess comparability and consistency. |
| 13.15–14.15 | Lunch break  |   |   |
| 14.15–16.45 | Country Presentations – AMR Data Overview<br>Panel Q&A and Reflections   | <b>Country Teams</b><br>Burkina Faso – MIRAMA<br>Côte d'Ivoire<br>Mali – LAKANA / SANTE / REACH<br>Niger – AVENIR 2<br>Nigeria – SARMAAN 2<br>Sierra Leone – ICARIA<br>Other relevant studies – Malawi, published meta-analyses | Country teams present AMR studies objectives, methods, results and contextual analyses.<br><br>Each presentation to be followed by Panel Q&A and Reflections to clarify data presented, assess comparability and consistency. |
| 16.45–18.00 | Closing Reflections for Day 1  | Panel Chair & Members   | Summarise key insights and preview Day 2 objectives.  |

# REACH Network AMR Data Review Meeting

## 6–7 December 2025

### Agenda, Day 2: Sunday 7 December

| Time  | Session title  | Lead / Facilitator   | Objectives / Key discussion points   |
|---|--|--|--|
| <b>08.30–13.00</b><br>(includes coffee break) | Executive Panel Review and Deliberations<br>(Closed Session)   | Panel Chair & Members  | Review AMR data in detail and begin drafting consensus recommendations.  |
| <b>Side meetings</b>                          |  |  |  |
| <b>09.00–10.30</b>                            | Thematic Discussion 1: Laboratory Quality and Consistency Across Sites   | NICD, REACH AMR Working Group & Country Teams<br>Co-Moderators:<br>NICD & Country leads  | Present objectives, methods, expected outcomes and next steps for the upcoming EQA to be undertaken by NICD.<br>Discuss with each country to assess current capacity for laboratory-based AMR monitoring, identify capacity building needs, and list national priorities for 2026.   |
| <b>10.30–11.00</b>                            | Coffee break   |  |  |
| <b>11.00–12.30</b>                            | Thematic Discussion 2: Integration of current AMR efforts into national AMR strategies and in-country capacity building                                    | REACH AMR Working Group & Country Teams<br>Co-Moderators:<br><b>Dr Alber</b> & Country leads   | Discuss how current AMR efforts can support in-country capacity building and potentially be integrated into national AMR strategies in the future.<br>Identify additional work needed, and potential challenges.   |
| <b>13.00–14.00</b>                            | Lunch  |  |  |
| <b>14.00–15.15</b>                            | Drafting Session: Formulation of Minimum Requirements for AMR Monitoring and advice on AMR data analysis, based on any identified gaps<br>(Closed Session) | <b>Dr Alber</b> , REACH Network Secretariat & Panel Members  | Define harmonised indicators, data standards, and research priorities.   |
| <b>Side meeting</b>                           |  |  |  |
| <b>14.00–15.15</b>                            | Thematic Discussion 3: Relationship Between AMR, Morbidity, and Mortality Outcomes   | REACH Mortality Working Group, REACH AMR Working Group & Country Teams<br>Co-moderators:<br><b>Dr Anthony Solomon (WHO)</b><br>Country leads, <b>Prof. Obaro</b> | Examine correlations between AMR trends and child health outcomes.   |
| <b>15.15–15.30</b>                            | Coffee break (all participants)  |  |  |
| <b>15.30–16.00</b>                            | Panel Discussion with the Steering Committee   | Panel Members, AMR Steering Committee & REACH Secretariat  | Panel present readout of any gaps identified during their review, formulated minimum requirements for AMR Monitoring and advice on AMR data analysis, etc. and discuss implications for country teams and national AMR strategies.<br><br>Zoom meetings between the country teams and the Panel will be organized at a later date. |

| <b>Time</b>        | <b>Session title</b>                              | <b>Lead / Facilitator</b>                           | <b>Objectives / Key discussion points</b>  |
|--------------------|---|---|--|
| <b>16.00-17.00</b> | Panel Discussion with Stakeholders                | Key Stakeholders & Country Teams                    | Discuss implications for national AMR strategies and regional policy harmonisation.  |
| <b>17.00-18.00</b> | Summary of Findings, Next Steps & Closing Remarks | Meeting Chair, Co-Chair & REACH Network Secretariat | Review consensus recommendations, reporting structure, and integration into REACH strategy.<br>Acknowledge contributions and outline post-meeting dissemination. |
